Important participation information

The event will be held in a hybrid format (analogue and digital).

Participants from the VET sector will be able to attend the event directly at the exhibition centre in Cologne and maintain contacts with other participants from the European VET network.

For all interested parties who cannot attend the event in person in Cologne, the possibility will be created to participate via a web-based channel.

Participants will be able to follow the event in German and English.

If you decide to participate, please fill in the attached form with your contact details and choice of format.

Further and current information on the event can be found under the following link:
